Alan Gabriel Ascorti

SSR Full stack dev | Go | Azure | Nextjs | React | pgsqI
Argentina

Summary

Hi! My name is Alan, I'm currently working as a full time fullstack developer at Contarg, a Bussiness Inteligence-oriented software factory. I speak English and spanish. My hobbies include industrial design, playing the guitar and videogames!

I have some sideprojects on Expo + React Native, and have experience with MCPs and some AI POC's.
